**II. GENERAL PROCEDURES**

- A. **CMCs** – The Court strictly enforces the timely filing of a CMC statement pursuant to CRC 3.725(a). Failure to comply with CRC 3.725(a), may result in sanctions being levied. Furthermore, the Court expects the parties and counsel to be fully familiar with CRC rules 3.720-3.730. This includes “specially appearing” lawyers that may be hired to attend the CMC. It is not acceptable to simply send a lawyer from your firm, or an “appearance counsel” to “get a date.” That lawyer needs to be prepared to discuss the full range of topics covered in the mandatory Judicial Council Form CM-110.

- B. **MSCs** – The Court uses temporary judges for MSC’s, and reviews all MSC matters prior to the hearing. Failure to comply with OCLR 316 may result in sanctions being levied. MSC Statements are to be E-Filed. (They will be e-stamped “Received” and will be kept confidential.) Failure to timely file an MSC statement, or to meet and confer prior to the MSC, may result in your MSC being ordered off calendar.
- C. **REVIEW HEARINGS** – If all parties stipulate to continue the arbitration hearing and a written stipulation is signed by the arbitrator, the Court will grant the continuance on the basis of the submitted stipulation and order. Counsel must include a declaration for good cause therewith. The order must include a rescheduling of the Arbitration Review hearing.
- D. **LAW AND MOTION** – Argument/hearings are Thursday at 1:30 P.M. Every effort will be made to post tentative rulings by no later than 4:00 P.M the day prior.
- E. **EX PARTE MATTERS** – See the attached information sheet re: particulars. Be sure you meet the standards for ex parte relief. Abuse of the ex parte procedure may result in the Court setting an OSC re sanctions against the offending party. The Court also suggests you read the case of Mission Power Engineering Company vs. Continental Casualty Company (1995) 883 F. Supp. 488, which, although a Federal case decision, expresses the Court’s view on ex parte matters.

### III. **TRIAL PROCEDURES**

- A. **CALENDAR** – Trials are heard on Mondays, Tuesdays, and Wednesdays from 9:00am until 4:30pm. Please be prepared to be in session on Fridays from 9:00am until 4:30pm as the Court’s calendar allows.  
  
Please arrive to Court on time and contact the Court Attendant if you are delayed for any reason.
- B. **CONTINUANCES** – Although continuances are disfavored, each request for a continuance must be considered on its own merits. Stipulated continuances may be granted no more than two times by written agreement; any further requests will require an appearance through ex parte request. Continuances are only granted upon a showing of good cause, and only for the time shown to be necessary. Stipulation between counsel or parties and convenience of the parties are not in and of themselves good cause.
- C. **PRIOR TO TRIAL** – The Court requires the filing of a Statement of Compliance (L-0081, signed by all counsel.
- D. **TRIAL DOCUMENTS** – Courtesy copies of all trial documents referenced in the Statement of Compliance shall be delivered to Department C22 by no later than 12:00pm on the Friday before trial. This includes a Joint Exhibit List and a joint set of proposed jury instructions in jury-ready format. In the event the parties are unable to agree on all jury instructions, each counsel may present the Court with a separate copy of their proposed instructions that are in dispute. Please give special attention to special verdict forms.
- E. **EXHIBITS** – A sample exhibit list is attached for reference. The Joint Exhibit List should set forth each exhibit number along with a detailed description of the item, photograph or document. Each exhibit is to be identified seriatim. Each photograph or computer imaged/scanned photographs must bear its own exhibit number and GREEN tag. Copies of the exhibit list should be made for the Court, the Clerk, the Reporter, and each counsel.

To the extent that exhibits are standard size and not too bulky, they should be placed in 3-ring binders with tabbed dividers. Each tab should bear the corresponding exhibit number. The original exhibits, which shall be provided directly to the Clerk, shall be the only binder with GREEN exhibit tags; these are the official exhibits.

The tag should be attached to the upper right corner of the first page, taking care not to staple in the date area of the tag. A template is attached for your convenience. Another set of binders, similarly tabbed (but not tagged), should be prepared for the court, the witness stand, and for each counsel.

If you plan to use a video exhibit, or videotaped depositions, the Court should be advised at the earliest opportunity since the Court's permission is required before video and tape recordings may be used in trial. It is counsel's responsibility to be familiar with audio-visual equipment and have it set up before trial.

If counsel intends to use documents for bona fide impeachment, copies of such documents shall be delivered to the clerk in a sealed envelope marked "impeachment documents" with the name of the submitting party prior to the commencement of the trial.

If you anticipate any problems with exhibits, please consult with the clerk before trial.

- F. **MOTIONS IN LIMINE** – Read and be thoroughly familiar with the opinion and holding *Kelly v New West Federal Savings* 49 Cal.App.4th 659 [Sept. 1996]. This seminal case sets forth the current law on motions in limine. Motions to exclude "all hearsay evidence" or "evidence not disclosed in discovery" and the like are viewed with the disdain described in *Kelly*. Motions in limine are usually intended to exclude specific items of evidence not broad categories of evidence. Be specific and concrete in what you want excluded.
- G. **VOIR DIRE** – This Court uses the eight-pack method of jury selection. Challenges will be addressed to the group of potential jurors in the box. Usually two alternates will be selected during voir dire. In accordance with the Judicial Council's Standards on voir dire (Cal. Rules of Court Appendix Div 1, Section A), the Court will conduct the initial voir dire of prospective jurors using applicable questions contained in these standards. Counsel may stipulate as to the selection of alternate jurors.
- H. **JUDGMENTS** – Upon reading of the Verdict and Discharge of the jury, counsel for the prevailing party is instructed to prepare the Judgment, which must include the exact wording of the verdict. This must be served upon opposing counsel and lodged with the court in Department C-22 within seven days of reading the Verdict.
- I. **ADDITIONAL TRIAL DECORUM** – Counsel shall instruct their clients and witnesses as to proper behavior around jurors and warn them about engaging in any conversation, gestures or other interaction with or in the vicinity of jurors, or in the areas of the courthouse where jurors are likely to be present. Except when we are in session in open court, the jurors or potential jurors are to be ignored.

All witnesses, except children, are to be addressed only by their last name.

Counsel must request permission to approach a witness or diagram, etc. near the witness, but must retreat after the purpose has been accomplished.

Objections, statements, and arguments are to be addressed to the court rather than opposing counsel or witnesses.
