## Volunteer Spotlight

Gaylle MacMillan has been a volunteer with the program since March 2008, working as a Screening Coordinator a few afternoons a week for the Domestic Violence Prevention Services Project (DVPSP), in Family Court Services. Gaylle has a Masters in Social Work from USC, and has worked with children and families for the past seventeen years as a therapist, case manager and director of a Montessori School. She has always been interested in the court system and after receiving a certificate in Alternative Dispute Resolution through UCI, she signed up as a volunteer with the Keeping Kids Safe program, serving in Family Court Services.

Gaylle notes the importance of her service, "After a person goes through a full day at the court in obtaining a Temporary Restraining Order, the last person they see is the DVPSP screener. If I can be present for them, answer their questions carefully, and help them leave feeling they can return to a trustworthy process, I feel I've made a contribution."

Gaylle will be leaving at the end of the month to pursue other interests, and we would like to express our appreciation and gratitude for her service to the program. We wish her the very best in her future endeavors!

April

A pessimist, they say sees a glass of water as being half empty; an optimist sees the same glass as half full. But a giving person sees a glass of water and starts looking for someone who might be thirsty.
