Except as expressly set forth in this MOU, no one except employees of this bargaining unit shall perform bargaining unit work. Bargaining unit work shall be the type of work normally or presently performed within the bargaining unit covered by this MOU. Such work shall include, but is not necessarily limited to, simultaneous or consecutive interpretation of court proceedings and programs and sight translation of court documents; as well as all other interpretive services as required by the court. The term "interpretive services" is defined as oral interpretation or sight translation between two or more other persons.

- A. The principal authorized agent for the Courts within Region 4 shall be the Chair Person of the RCIERC.
- B. The Union's principal authorized agents shall be the Executive Officers, CFI Local 39000 or their duly authorized representatives - 11823 East Slauson Avenue, Unit 7, Santa Fe Springs, CA 90670; telephone (562) 944-2341.

B. The Union's principal authorized agents shall be the Executive Officers, CFI Local 39000 or their duly authorized representatives - 11823 East Slauson Avenue, Unit 7, Santa Fe Springs, CA 90670); telephone (562) 944-2341.

ARTICLE 4 - NON-DISCRIMINATION (Employee Rights)

The parties mutually recognize and agree fully to protect the rights of all employees hereby to join and participate in the activities of the Union. No employee shall be interfered with, intimidated, restrained, coerced or discriminated against by either party for engaging or refusing to engage in the exercise of these rights.

The provisions of this Memorandum of Understanding shall be applied equally to all employees covered hereby without favor or discrimination because of any protected class provided by law.

This provision shall not be used to prejudice an employee from asserting individual rights and remedies provided by law for discrimination.

ARTICLE 5 - TERM OF CONTRACT

This Memorandum of Understanding (hereafter "MOU") is entered into by the Region 4 Court Interpreter Employment Relations Committee (hereafter designated as the "Region") and the California Federation of Interpreters, Local 39000 (hereafter designated as the "Union") as a mutual agreement between the Courts within Region 4 of those wages, hours, and conditions of employment which are to be in effect during the period from 8:00 a.m. beginning the first pay period after written receipt of notice of ratification (notice of ratification given on November 15, 2019) through June 30, 2022, for those employees working in the represented unit.

Thereafter, it shall automatically renew itself and continue in full force and effect from year to year unless written notice of election to terminate or modify any provision of this MOU is given by one party and received by the other no later than ninety (90) days before the expiration of this MOU.

ARTICLE 6 - DISCIPLINE POLICY

1. Policy Statement

It is the policy of the Courts within Region 4 that, for employees in this bargaining unit, discipline up to and including termination shall be for cause and in accordance with the provisions of this policy. For cause is a fair and honest cause or reason, regulated by good faith. The existence of a for-cause policy shall not be construed to provide, either explicitly or implicitly, a civil cause of action for breach of contract, either implied or express. Moreover, the procedure for any employee seeking a remedy who believes the Court has not complied with this employment protection system

or who challenges a disciplinary decision shall be to first exhaust available administrative remedies set forth in this Article.

Discipline will usually be imposed progressively. Progressive discipline will normally include one or two warnings (oral or written) and suspension before termination is imposed. However, subject to the appeal process contained herein, deviations from this procedure may occur whenever the Court determines that circumstances warrant that one or more steps in the progressive discipline procedure be skipped. Accordingly, circumstances may warrant an immediate suspension or termination.

The Court Executive Officer or designee may place the employee on paid administrative leave. This administrative leave with pay shall not be considered corrective action as defined in this Article.

Probationary employees are excluded from the "for cause" policy and are not entitled to the protections provided by this policy.

2. Covered Disciplinary Action

a. These actions constitute formal discipline subject to appeal:

Dismissal
Demotion
Suspension
Reduction in Pay

b. The following preliminary or informal disciplinary action shall not be subject to appeal:

Preliminary Discipline:

- Oral Warning
- Oral Reprimand
- Counseling
- Written Warning
- Written Reprimand

3. Notice of Proposed Action

a. Before the Court Executive Officer or designee issues a written notice of disciplinary action which suspends, demotes, reduces an employee's pay or removes an employee pursuant to this policy, the pre-removable safeguards to the extent required by *Skelly v State Personnel Board* (1975) 15 Cal. 3d 194 shall be followed. These pre-removal safeguards must include:

- (1) notice of the proposed action,
- (2) the reason therefore,
- (3) a copy of the charges,
- (4) an opportunity to examine any materials upon which the action is based, and,
- (5) the right to respond, either orally or in writing, to the Court Executive Officer or designee imposing the discipline.

b. Except as otherwise provided, an employee against whom a disciplinary action of suspension, demotion, reduction in pay or removal is proposed is entitled to remain in active status during the notice period. In the event the Court Executive Officer or designee determines that it is appropriate, the Court Executive Officer or designee may place the employee on leave or temporarily transfer the employee.

If the employee cannot be found at the employee's place of work or residence for notification of proposed discipline, the Court Executive Officer or designee may thereafter proceed to impose discipline in the matter otherwise required by these rules.

c. If after notice, the Court Executive Officer or designee decides not to discipline the employee, the employee shall be so notified following the answer.

4. Written Order of Disciplinary Action

The Court Executive Officer or designee shall cause to be served on the employee, either personally or by sending a notice to the employee's last known address, a written notice stating the specific disciplinary action and the factual grounds therefore. It shall be the responsibility of the employee to advise the Human Resources Department of the Court of his or her current address. Service on the last address provided by the employee shall be deemed adequate.

5. Employee Appeal of Disciplinary Action

An employee may appeal in writing to the Court's Executive Officer or designee a written notice imposing formal discipline of termination, suspension, reduction in pay or demotion within ten (10) calendar days of service of said order. Except as specified herein, appeals of other matters shall be conducted in accordance with the provisions of the Memorandum of Understanding and the Personnel Rules. Verbal and written reprimands shall not be subject to appeal. However, the employee may provide a written response and the response shall be placed in the employee's personnel file.

6. Selection of Hearing Officer

Upon receipt of a timely appeal, an impartial hearing officer shall be named to hear the matter. The hearing officer shall not be an employee or judge of the Court issuing discipline. Within ten court business days of the date the employee files the notice of appeal, the parties will attempt to mutually select an experienced labor arbitrator to hear the case. The selection process may be extended by mutual agreement. If the parties have not mutually selected an arbitrator within the selection period, they will request a list of seven (7) hearing officers from the State Mediation and Conciliation Service or another mutually acceptable source and will select a hearing officer from this list. If the parties are unable to reach mutual agreement, the parties, after coin toss, will alternately strike the names from the list to choose the hearing officer.

7. Costs of Hearing

Costs incurred for the hearing will be divided equally and paid by the Court and the appealing party. If a written transcript of the record is requested, the party requesting the written transcript will pay the stenographic costs.

8. Conduct of Hearing

a. Whenever a hearing on any disciplinary action is to be held, the Court Executive Officer or designee shall notify the employee requesting the hearing of the date, time and place of the hearing.

b. The employee requesting the hearing and the Court Executive Officer or designee shall both be entitled to appear personally at the hearing, to produce evidence and to have counsel at the hearing. The strict rules of evidence shall not apply. Hearsay is admissible, but cannot be the sole basis for making a finding of fact.

c. The employee requesting the hearing may be represented by any person. The representative selected shall not adversely affect the hearing or any other hearing.

d. Unless otherwise mutually agreed upon by the employee and the Court's representative, during the hearing, any and all witnesses to be called by either the employee or the Court shall be excluded from the hearing room unless actually testifying; provided that both the employee and the Court may designate a person who shall not be subject to the exclusion herein, who has investigated the matter at issue in the hearing and/or whose assistance during the hearing is necessary to the efficient conduct of the hearing.

e. The hearing shall proceed generally as follows:

(1) The Court's representative and the affected employee may make preliminary opening statements.

(2) The Court's representative shall present oral and/or documentary evidence in support of the Court's position; the affected employee may cross-examine any witness called by the Court.

(3) The affected employee may present evidence in the employee's own behalf; the Court's representative may cross-examine such witnesses as are called by the affected employee.

(4) Both the Court and the affected employee may subpoena witnesses and present rebuttal evidence as they deem necessary and appropriate. The hearing officer shall have the authority to issue subpoenas for attendance of witnesses and subpoenas duces tecum for the production of books, records, documents, and other evidence as provided in California Code of Civil Procedure section 1282.6.

(5) The hearing officer shall rule on any objections made to the admissibility of evidence or otherwise relating to the conduct of the hearing. Such rulings shall be final.

(6) The Court's representative and the affected employee may make closing statements.

f. The hearing officer's decision shall be limited to the issue of whether cause existed for the discipline imposed. The hearing officer does not have authority to add to, detract from, alter, amend, or modify the MOU or any of the Court's rules, policies or procedures.

g. The hearing officer's decision shall be final and binding. Such decision may be reviewed only pursuant to the California Code of Civil Procedures, Section 1280, et seq.

ARTICLE 7 - GRIEVANCE PROCEDURE

Purpose

- A. This grievance procedure shall be used to process and resolve grievances arising under this MOU in a just, equitable and expeditious manner. The employer shall not discriminate, coerce, restrain or retaliate against any employee or employees who participate in the grievance procedure.
- B. The purposes of this procedure are:
 - To resolve grievances informally at the lowest possible level.
 - To provide an orderly procedure for reviewing and resolving grievances promptly.

Definitions

- A. Wherever used, the term "employee" means either employee or employees, as appropriate.
- B. Whenever used, the term "grievant" means employee or group of employees or the Union.
- C. As used in this procedure, the term "immediate supervisor" means the individual identified by the Court Executive Officer or designee.
- D. A grievance is a dispute between the grievant and the Employer with respect to the interpretation, or application of, or compliance with, the agreed upon provisions of this MOU.
- E. "Business Days" means court days.
- F. A "union representative" refers to an employee designated as a steward, a union staff representative, or any other person designated by the Union, who shall act in the capacity of a steward.

Time Limits

None of the parties shall delay the processing of a grievance at any step of the established procedure.

If the Court fails to respond to a grievance within the time limits specified at that step, the grievant shall have the right to appeal to the next step.

Failure by the grievant to respond within the time limits specified at any step shall settle the grievance on the basis of the last decision and the grievance shall not be subject to further appeal or reconsideration.

Any level of review, or time limits established in this procedure, may be waived or extended by mutual agreement of the parties and confirmed in writing.

By mutual written agreement, the grievance may revert to a prior level for reconsideration.

Employee Rights

- A. Employees have the right to represent themselves at each step of the grievance procedure. Employees shall not have the right to move grievances to arbitration without Union representation.

- B.** The employee has the right to the assistance of a representative in the preparation and investigation of his or her formal written grievance, and in the presentation of the grievance to management, and to be represented by the Union in formal grievance meetings.
- C.** An employee may present his or her grievance to Court Management on court time if they are scheduled to work on that day. Grievance meetings will be scheduled where possible for a day that the employee is scheduled to work.
- D.** The Union shall receive a copy of a settlement agreement that involves the interpretation or application of the terms of this Agreement when a grievant is not represented by the union.
- E.** Employees who are witnesses in a formal grievance meeting may attend formal grievance meetings on paid court time.

Informal Conference

The employee may discuss any potential grievance with his or her immediate supervisor within eight (8) business days after the occurrence or discovery of the alleged grievance to attempt to resolve the matter in an informal manner. The immediate supervisor will, upon request of the employee, discuss the employee's complaint with the employee at a mutually satisfactory time. The employee may elect to have a union representative attend such meeting. The immediate supervisor shall respond to the employee within eight (8) business days after the initial conference. Any informal resolution of a dispute at this step shall not set a precedent. Participation in this informal step shall not extend the deadline for filing a formal grievance.

Formal Grievance Procedure - Step 1

A. No later than twenty (20) business days after the occurrence or discovery of the matter on which the grievance is based, an employee, group of employees, or the Union may file a formal written grievance.

B. A formal grievance shall be initiated in writing on a form provided by the region and shall be filed with the Human Resources office of the grievant's home court. The employee shall retain a copy. The Human Resources office shall provide a receipt, or shall initial and date the employee's copy to show receipt. The grievance form shall contain the following information:

- 1.** The name(s) of the grievant(s) and representative;
- 2.** The specific provision of the MOU alleged to have been violated;
- 3.** The date, time and place of occurrence;
- 4.** Brief summary of the grievance;
- 5.** Steps that were taken to secure informal resolution;
- 6.** The remedy requested;
- 7.** Signature of the grievant(s) and the date filed; and
- 8.** The address(es) to which all correspondence and responses should be sent.

C. Within ten (10) business days of the receipt of the grievance, the designated court management representative will meet with the grievant and the Union representative, if any. Then within ten (10) business days following such meeting, the court management representative shall respond in writing to the grievance.

D. No settlement made at this stage of the grievance procedure shall be considered precedent setting.

Formal Grievance - Step 2

A. Within ten (10) business days after receipt of the decision at Step 1, the grievant may appeal to the Court Executive Officer or designee, using a copy of the grievance.

B. Within ten (10) business days from the date the submitted grievance appeal to Step 2 is received, the Court Executive Officer or designee, who has not been involved in the grievance at any prior level, shall meet with the grievant and Union representative, if any, to discuss the grievance. Thereafter, the Court Executive Officer or designee will provide a written decision not more than ten (10) business days following such grievance appeal meeting.

C. If the Court Executive Officer or designee fails to provide a written decision within the specified time limit, the Union may elect to refer the unresolved grievance to arbitration.

D. No settlement made at this stage of the grievance procedure shall be considered precedent setting.

Arbitration - Step 3

A. Within thirty (30) business days from receipt of the written decision of the Court Executive Officer or designee, the Union shall have the right to submit an unresolved grievance to arbitration. The Union's request for arbitration shall be made in writing to the Court Executive Officer or designee.

B. If no written request for arbitration is made within thirty (30) business days, the decision of the Court Executive Officer or designee shall be final and binding. If the Court Executive Officer or designee fails to respond in writing at Step 2, the Union shall have thirty (30) days from the date the decision was due to request arbitration. In either case, a failure to timely request arbitration shall be deemed a waiver of the right to arbitration.

C. Within ten (10) business days after receipt of a timely written request for arbitration, the parties will attempt to mutually select an experienced labor arbitrator to hear the case. The selection process may be extended by mutual agreement. If the parties have not mutually selected an arbitrator within the selection period, the Court Executive Officer or designee shall request the names of seven (7) available arbitrators from the State Mediation and Conciliation Service (SMCS) or the Federal Mediation and Conciliation Service (FMCS) or other mutually acceptable source be sent to both parties. Upon receipt of the list of available arbitrator names, the parties will select an arbitrator using strike-off procedure. The party striking first shall be selected by coin toss.

D. The fees and expenses associated with the arbitrator, the official transcript of the arbitration proceeding and the court reporter shall be shared equally by the parties. All other expenses including, but not limited to, fees for witnesses, transcripts and similar costs incurred by the parties during such arbitration will be the responsibility of the individual party involved.

E. Upon mutual agreement of the parties, a pre-arbitration meeting may be held.

F. Both parties shall jointly consider whether the type of case involved lends itself to mediation. If, through mediation, the parties can reach a mutually acceptable disposition of the grievance then

the matter is deemed resolved. If the mediation process does not result in an acceptable resolution to both parties, the case shall be submitted to arbitration.

G. The written decision of an arbitrator resulting from any arbitration or grievance shall not add to, subtract from, or otherwise modify the terms and conditions of this Memorandum of Understanding.

H. The written decision of an arbitrator resulting from any arbitration of grievances hereunder shall be final and binding.

ARTICLE 8 - MANAGEMENT RIGHTS

The Courts within the region retain, solely and exclusively, all rights, powers, and authority that they exercised or possessed prior to the execution of this Memorandum of Understanding (MOU) except as specifically limited by an express provision of this MOU. Additionally, it is the exclusive right of Court Management to determine their mission, to set standards of services to be offered to the public and exercise control and discretion over their organizations and operations. It is also the exclusive right of Court Management to make all financial and budgetary decisions, including decisions concerning expenditures. In addition, the Courts retain control of the manner and means of the work performed by interpreters and may hire, supervise, discipline and terminate employment of court interpreters. These and all other rights of Court management are expressly reserved to the Court unless such rights are abrogated by a clear and express provision of this MOU or by mutual written agreement by the Region and the Union.

In view of the unique and special responsibilities of the Trial Courts in the administration of justice, the Courts retain their rights to decide the following issues: The merits and administration of the trial court system; coordination, consolidation, and merger of Trial Courts and support staff; automation, including, but not limited to, fax filing, electronic recording, and implementation of information systems; design, construction, and location of court facilities; delivery of court services; hours of operation; and to determine assignments and transfers of court interpreters, in accordance with any process, procedures, and criteria that have been established for these as a result of meet and confer.

ARTICLE 9 - FULL UNDERSTANDING, MODIFICATION AND WAIVER

Section 1

This MOU sets forth the full and entire agreement of the parties regarding the matters set forth herein, and any other prior or existing understanding or agreements over these matters between the parties, whether formal or informal, are hereby superseded or terminated in their entirety.

Except as specifically provided herein, it is agreed and understood that the parties hereto reserve the right, upon mutual agreement, to meet and confer in good faith with respect to any subject or matter covered herein or with respect to any other matter within the scope of representation, during the term of this MOU.

Unless otherwise permitted by this MOU or required by law, no agreement, alteration, understanding, variation, waiver, or modification of any of the terms or provisions contained herein shall in any manner be binding upon the parties hereto unless made and executed in writing by all parties hereto and, if required, approved and implemented by the Region.

The waiver of any breach, term or condition of this MOU by either party shall not constitute a precedent in the future enforcement of all its terms and provisions.

Section 2

It is understood and agreed that the provisions of this Section are intended to apply only to matters that are not specifically covered by this agreement. With respect to matters not specifically covered by this agreement, existing policies, procedures and practices shall govern. It is recognized that during the term of this agreement it may be necessary for the Courts to make changes in policies, procedures or practices affecting the employees in the Unit.

When the Courts find it necessary to make such a change it shall notify the Union indicating the proposed change and shall meet and confer with the Union over the impact of the proposed change on Unit members prior to implementation. Where changes in local policies, procedures and practices are proposed by an individual Superior Court within the region, meet and confer shall be with that Superior Court. Where changes in Regional labor relations rules, policies, procedures or practices are proposed by the Regional Committee, meet and confer shall be with the Regional Committee.

Any agreement resulting from such meet and confer shall be executed in writing by all parties hereto, and, if required, approved and implemented in accordance with this Memorandum of Understanding. If the parties are in disagreement as to whether any proposed change is within the scope of meet and confer, such disagreement shall be submitted to the Division of Conciliation of the Department of Industrial Relations for mediation in accordance with Government Code Section 71820.

ARTICLE 10 - PROVISIONS OF LAW

This MOU is subject to all current and future applicable Federal, State, and county laws or regulations.

If any part or provision of this MOU is in conflict or inconsistent with such applicable provisions of Federal, State or county laws or regulations, or is otherwise held to be invalid or unenforceable by any tribunal of competent jurisdiction, such part or provision shall be suspended and superseded by such applicable law or regulations, and the remainder of the MOU shall not be affected thereby.

ARTICLE 11- PROBATIONARY PERIOD

Regular employees hired into classes in the Unit shall serve a probationary period of 2080 paid hours from the date of hire ending with the first day of the pay period following completion of said period.

A probationary employee may be released at any time within the probationary period and shall have no right to appeal or a hearing in regard to his/her separation.

ARTICLE 12 - NEW EMPLOYEES

Prior to being assigned to interpret alone in a court proceeding, a newly hired interpreter with no previous California Trial Court experience will receive three (3) days paid in-service training with an experienced employee who will mentor (consistent with Court policy) the new interpreter in various aspects of court interpreting which may include, but not be limited to, the following areas:

- Interpreter ethics and rules of Court
- Courtroom protocol
- Court functions
- Simultaneous interpretation of off-record matters
- Consecutive interpretation of off-record matters
- Sight translation of waiver forms and other courtroom documents
- Safety issues
- Use of equipment

Experienced employees shall meet the following criteria:

- A minimum of two (2) year's experience as a California certified/registered court interpreter within a Court.
- Satisfactory performance evaluations.
- State license up-to-date in accordance with Judicial Council requirements.

Experienced employees may volunteer to be included on an approved list. Management shall place the newly hired interpreter with an experienced employee on the list. However, where experienced employees are unavailable the court shall assign an interpreter from the employer court, when able, to assist the newly hired interpreter.

ARTICLE 13 - NEW EMPLOYEE ORIENTATION

When the Courts conduct a court-wide new employee orientation, CFI shall be allowed up to 30 minutes prior to the end of orientation to make a presentation and distribute literature to new bargaining unit employees. CFI shall be provided not less than ten (10) calendar days' notice of the new employee orientation.

The Courts shall provide CFI the names, classification, assigned location, work phone number, personal cell phone number, personal/home email address on file with the Court within ten (10) days of hire or by the first pay period of the month following hire. The Courts shall provide this information for its bargaining unit employees at least every 120 days unless otherwise agreed between CFI and the Local Trial Court. Employees may opt out of providing home address, personal cell phone number and personal email address.

ARTICLE 14 - EMPLOYMENT STATUS

An interpreter gains regular status upon being hired into a regular position and the employee's satisfactory completion of the required probationary period. Regular positions may be established by the employer court as either full-time or part-time.

An intermittent interpreter employee is a non-benefited employee working on an as-needed basis with no guarantee of continued offers of assignment.

ARTICLE 15 - SENIORITY

Seniority shall be based on the date of hire into a regular position within the same language pair. Seniority within the same language pair shall be used for the purposes of layoff; breaking ties for approval of vacation preference within building locations; and assignment of intermittent employees (effective 120 days after ratification of this agreement). However, same day assignments for intermittent interpreters shall not be based on seniority. For each assignment, the Court shall only be obligated to contact the intermittent interpreter one time by telephone. If the intermittent interpreter is unavailable or does not accept the assignment, the Court shall offer the assignment to the next senior interpreter in that language pair.

An employee who separates employment from the Court and is re-hired by the Court shall have a seniority date based upon the re-hire date.

An interpreter's seniority at one California Trial Court shall not be transferable to other State Trial Courts within the Region.

For those bargaining unit members who were hired as CIPTs on or before January 31st, 2004, the date the interpreter was first engaged in that language pair by the employer court as a certified/registered interpreter shall be their seniority date.

For those bargaining unit members who were hired as CIPTs on or after February 1, 2004 and before July 1, 2005, such date of hire shall be their seniority date.

ARTICLE 16 - ASSIGNMENTS

Employees in regular positions may have either a regular or floater assignment. However, there may be occasions when employees may be assigned to any area, work location or court facility within the employer court to meet the needs of the Court. Employees are required to report to their supervisor or designee upon completion of their assignments of their availability for other assignments.

Individuals are hired into job classifications and not for specific positions.

Assignments are defined as follows:

- A.** Regular assignment: A regular assignment may be full or part time and the employee typically works at a specific courthouse or location on an on-going basis.
- B.** Floater assignment: A floater assignment is an assignment that is either full or part time and the work location may vary from day to day or could include multiple locations throughout the working day.

C. As needed intermittent employee: Based on the occasional needs of the Court.

Future positions after initial assignments have been made will be filled in accordance with the employer court's recruitment policies. Employees wishing a change in assignment may request to have their name placed on a list of candidates to be considered for available positions.

Employees who are assigned to perform interpreter services in more than one language on the same day, where the employee is certified or registered in both languages, shall receive a differential of \$30.00 for a full day assignment and \$20.00 for a half day assignment.

ARTICLE 17 - INTERMITTENT INTERPRETERS

The following provisions pertain to Intermittent Interpreters hired after July 1, 2005, according to Government Code 71802 (c)(2).

Once an employee classified as an intermittent interpreter accepts a work assignment, both the employer court's decision not to provide work and the intermittent interpreter's decision to reject the assignment will be subject to 24-hour or one business day advance cancellation notice, whichever is more. An intermittent interpreter who does not comply with a 24-hour or one business day cancellation notice may be subject to discipline. If an employer court fails to provide a 24-hour or one business day cancellation notice, the intermittent interpreter shall be compensated for the number of hours he/she was scheduled, not to exceed (8) hours.

Intermittent employees shall be guaranteed not less than four hours per one-half day assignment, provided the intermittent employee agrees to be available for assignment by the Court for the full half-day session.

An intermittent interpreter employed by a Superior Court may not contract interpreter services with another California State Trial Court in their certified/registered languages, but may accept assignments to provide services to more than one court through cross-assignments.

ARTICLE 18 - CROSS-ASSIGNMENT PROCEDURES

Definitions:

(1) **Employer court:** The superior court in which the court interpreter is an employee. An employee's employer court includes all locations of a Superior Court within a county.

(2) **Away Court:** The superior court in which the court interpreter is temporarily cross-assigned.

(3) **Cross assignment:** Any assignment to perform spoken language interpretation for a superior court other than the interpreter's employer court where the interpreter actually travels outside of their home court to an away court.

(4) **Regional court interpreter coordinator:** An employee of the Judicial Council whose duty it is to locate, assign and schedule available court interpreter employees for courts within and across regions, which are described under Government Code 71807(a).

(5) **Local court interpreter coordinator:** An employee of a superior court whose duty it is to locate, assign, and schedule available court interpreter employees for his or her court.

Procedure

This article covers cross-assignments within Region 4 of court interpreters who are employees of Trial Courts within Region 4. Unless specified by the position, cross-assignments shall be strictly voluntary and shall be addressed on a case-by-case basis by affected interpreters and Trial Courts. Trial Courts may create new employee positions that may require that the interpreter accept certain defined cross-assignments. For employees who accept positions that require cross assignment, employees will be cross-assigned as directed by the Court.

1. Beginning on the effective date of this MOU, when a Trial Court in Region 4 is unable to fill an assignment with a "Group 1" interpreter (an employee employed by that trial court or an opt-out interpreter for that trial court), the trial court will make a good faith effort to fill that assignment with an employee who is available for a cross-assignment before turning to "Group 2" interpreters (i.e. 100-day contractors) and "Group 3" interpreters (i.e. non-certified and non-registered interpreters).
2. A good-faith effort to fill assignments with employees employed by other trial courts means offering the assignment to employees through the JCC regional assignment coordinator and using interpreter employees when they are available. A good-faith effort means an effort that is reasonable under the circumstances of the particular assignment, including but not necessarily limited to the location of the courthouse, language, and amount of advance notice, and consistent with a genuine desire to use interpreter employees on cross-assignment when Group 1 interpreters are unavailable. If the JCC ceases to provide a full-time regional assignment coordinator, the parties will meet and confer regarding amendments to this agreement.
3. This agreement applies only to employees employed by other Trial Courts if:
 - a) The employee is employed by a Region 1 or Region 4 trial court; and
 - b) The employee has notified the JCC regional coordinator in writing that the employee wishes to be considered for cross-assignments to that trial court.
 - c) Nothing in this agreement, however, precludes the Trial Courts from using other employees for cross-assignments.
 - d) With respect to the Inyo and Imperial County Superior Courts, this agreement applies only to interpreter employees who have notified the JCC regional coordinator they are specifically interested in cross-assignment to Inyo County or Imperial County and who reside within 150 miles of the assignment. Nothing in this agreement, however, precludes the Inyo and Imperial County Superior Courts from using other interpreter employees for cross-assignment.
4. This article does not obviate any duty that may be imposed on the Trial Courts by statute or by the California Rules of Court with respect to using certified and registered interpreters for certain proceedings.
5. The employer court will have the first right of assignment for its employees. Employees may accept an offer of cross-assignment when the employer court has not scheduled the employee on the day in question.

6. An employee who accepts a cross-assignment shall receive compensation from the employer court consistent with this MOU. Cross-assignments shall be paid at the interpreter's regular hourly rate. An interpreter employee who accepts a cross-assignment shall also be compensated for reasonable travel time, in excess of one (1) hour in each direction, per cross-assignment. Employee status as defined in the MOU may be affected by virtue of cross-assignment only at management's discretion.

ARTICLE 19 - HOURS OF WORK

This article describes the normal hours of work. Regular hours of work each day shall be eight (8) hours. Regular hours per week shall be forty (40). The normal workweek shall consist of five (5) business days as determined by the employer court. Work ordered and performed in excess of forty (40) hours of paid time in a workweek shall be overtime. The schedule of working hours will be set by the Courts' Executive Officer.

Typically the eight hour work schedule is 8:00 a.m. to 5:00 p.m. However, flexibility in work schedules within the eight hour work day other than 8:00 a.m. to 5:00 p.m. may be permitted as long as the schedule does not interfere with the operational needs of the Court. Flexible daily work schedules, other than 8:00 a.m. to 5:00 p.m., are subject to approval by the Executive Officer or designee.

Regular part-time employees shall be assigned work in increments of four hours. If a court session extends beyond such four hours, additional time worked shall be paid on an hourly basis. Part-time regular employees assigned only a four-hour morning assignment who are requested to work in the afternoon may accept or decline those additional afternoon hours, with such additional hours in the afternoon to be paid on an hourly basis. (Regular part-time employees in San Bernardino may be regularly scheduled between 41 and 44 hours in a pay period for the purpose of ensuring benefits.)

Regular full-time employees will be required to be available for work for eight hours; any time off taken must be covered by their accruals (vacation or sick leave, as appropriate) or leave without pay.

Regular employee may be regularly scheduled more than four and less than eight hours a day, paid on an hourly basis, with the mutual agreement of the employee, the union and the court.

Bargaining unit employees shall be eligible for compensatory time off to the same extent and under the same rules as those employees in their home court as provided in the bargaining units set forth in Article 25, Health Care.

ARTICLE 20 - PROFESSIONAL STATUS AND BEST PRACTICE

Court interpreters will perform their duties in accordance with the Judicial Council's Rules for Professional Conduct for interpreters. (Currently Rule 2.890) An interpreter may not be disciplined for informing the Judicial Officer, in an appropriate manner, of conditions that impede his/her ability to perform complete and accurate interpretation or sight translation.

Section 1 - Team Interpreting

The Court recognizes that interpreter assignments can vary in the demands made upon the physical and mental stamina of interpreters and that an interpreter may need to advise the Judicial Officer

that he/she is fatigued and needs a break. Team interpreting may be ordered within the discretion of the Court. To the extent the Court determines that team interpreting is appropriate, the Court will make reasonable efforts to provide a second interpreter.

Section 2 - Pre-appearance Interviews: Review of Documents and Preparation Time

Consistent with Rules of Court (Standard 2.11) the parties recognize that for good cause the Court should authorize a pre-appearance interview. Interpreters may, in an appropriate manner, request such pre-appearance interviews and review of documents ahead of time. The Court recognizes the right of interpreters to do so.

Section 3 - Sight Translations and Recorded Foreign Language Media

Interpreters shall perform sight translations of documents consistent with the needs of the Court.

Interpreters shall not be required to perform any task that would require the interpreter to provide legal advice or to advise parties as to their choices in completing forms.

The Court acknowledges that simultaneous translation of foreign language audio/visual material may be especially challenging and recognizes the right of the interpreter to request a review of such material in advance and to advise the Judicial Officer of any problems associated with that simultaneous translation.

Section 4 - Interpreting for both prosecution and defense

The Court in its discretion may provide separate interpreters to each party, in proceedings where interpreters are required for the opposing parties.

ARTICLE 21- PROFESSIONAL DEVELOPMENT

The parties recognize the importance of continuing training and education of employees in order to maintain a highly qualified and effective workforce in the delivery of interpreter services.

Mandatory Training Classes

Employees shall attend training classes as required by the Judicial Council (JCC) and/or their respective employer court. Subject matter covered in these training classes may include but is not limited to diversity issues in the workplace, ethical behavior, sexual harassment, and customer service.

In-House Training Classes

Employees may request approval to attend training classes offered by their respective employer court during regular working hours in accordance with the following conditions:

- The training is job related
- Attendance at the training sessions will not interfere with or negatively impact Court operations, i.e., there is sufficient coverage to allow for employee's absence from the job for the duration of the training sessions.

- Requests to attend training are submitted within a reasonable period of time prior to attendance to ensure appropriate review, coverage, scheduling and approval processing.
- Approval as appropriate for each employer court is received prior to attending the training. In approving or denying a request for training, the immediate supervisor and manager may consider the employee's work performance, current workload and attendance.
- The Region will make reasonable efforts to make continuing education (CIMCE) classes available to interpreters.

Professional Seminars

In accordance with the training policies and procedures applicable in their respective employer court, employees may request approval to be absent to attend professional and educational programs, seminars and conferences that will lead to an increase in knowledge, skills and abilities to enhance job performance or career development. For these purposes or for Court Interpreter Minimum Continuing Education (CIMCE) approved seminars/conferences, management shall grant a total of no more than eight (8) hours of paid leave per fiscal year. Such paid leave will include travel time but under no circumstances shall the total leave time permitted exceed 8 hours.

ARTICLE 22 - PAYDAY

Employees in the Unit shall be paid on the same dates and in the same manner as all other Court employees. The Court will notify employees and the union of changes in the payday schedule.

All employees will be required to authorize automatic deposit of their paycheck to a financial institution of the employee's choice. Requests for an exception made by the employees will be considered on a case-by-case basis by the head of Human Resources or designee.

ARTICLE 23 - SALARY

Effective the first full pay period following ratification, the following salary range will be effective for regular full-time and regular part-time employees:

Effective September 1, 2021, all employees in the bargaining unit shall receive a 2% (two percent) increase to their base wage.

Regular employees in good standing will advance one step in the range effective the beginning of the next pay period after completion of 2080 hours paid time in a regular position. Intermittent employees shall be paid at step 4 for the duration of this Agreement.

New regular employees will be hired at Step 2, unless the employer court in its sole discretion determines to place such individual at a higher step.

ARTICLE 24 - EMPLOYEE PAYCHECK ERRORS

In the event that a paycheck error occurs, the parties agree that the procedures for payment or reimbursement will be those procedures utilized by the employer court's payroll processing agency. The Court will use its best efforts to work with the affected employee and the payroll processing agency to facilitate and resolve the correction as quickly as possible.

In situations involving overpayments, the affected employee should notify the court within one pay period of such overpayment so appropriate actions can be initiated to resolve the situation as quickly as possible.

ARTICLE 25 - HEALTH CARE

ARTICLE 41- PERFORMANCE EVALUATION

I. Purpose of Work Performance Evaluations

The work performance evaluation is a tool to encourage and enhance communication between the employee and his/her supervisor.

Work performance evaluation is conducted by the employee's immediate supervisor to provide a regular forum for the employee and supervisor to promote communications, discuss work performance areas and document work performance. The supervisor will share the work performance evaluation criteria with newly hired regular employees to ensure that employees have been provided the criteria, form and explanation of the process.

The rating factors in the evaluation form should be considered and weighed in conjunction with Interpreter qualification requirements as established by the Judicial Council.

II. Frequency of Work Performance Evaluations

The frequency of the Work Performance Evaluations shall be consistent with the Court's practice and/or policy regarding frequency of evaluations for employees in the linked bargaining unit in Health Care Article 25.

When an employee's work performance is below standard, a work performance improvement plan may be established. An employee on a work performance improvement plan will meet with his/her supervisor more frequently during this period of time to evaluate and communicate progress, including areas of improvement or continued concern.

III. Employee Response & Review of Substandard Performance Evaluation

An employee's written response to his/her work performance evaluation shall be placed in the employee's official personnel file along with the work performance evaluation.

An overall rating of substandard performance is defined as receiving Needs Improvement or Unacceptable ratings in two or more rating factors. read such material by affixing his/her signature on the copy to be filed, with the understanding that such signature merely signifies that he/she has read the material to be filed but does not necessarily indicate agreement with its content. The employee is entitled to a copy of any material that he/she is requested to sign. If the employee refuses to sign, the supervisor may note his/her refusal on the copy to be filed along with the supervisor's signature.

If there are no subsequent disciplinary occurrences after two (2) years, upon request, an employee may have a written warning and/or reprimand removed from his/her personnel file.

ARTICLE 44 - DUES DEDUCTION

Bargaining unit employees who are members of CFI and have, in writing, authorized deduction of their CFI dues and assessments shall have such dues and assessments deducted for the remainder of this Agreement.

Upon written certification by CFI that an employee has signed a deduction authorization, the Courts shall deduct the appropriate dues or fees as established by CFI from the employee's pay. The Courts shall forward the deducted funds monthly to CFI. Employee requests to cancel or change the deduction must be directed to CFI. Upon certification from CFI, the Courts will cease deductions. The Courts will automatically cease deductions for any employee who is no longer employed in a classification represented by CFI.

On a quarterly basis every January, April, July & October, CFI shall provide the Courts with a certified list of members with a dollar amount per pay period to deducted per member; a statement that CFI has and will maintain written authorization signed by the individuals from whose salary or wage deductions are to be made; and a statement that the Union shall indemnify and hold harmless the Courts for any and all claims made by employees for deductions made in reliance on that certification in accordance with Govt. Code Section 1157.12(a). CFI agrees to promptly refund to the Courts any amounts paid to it in error.

Management recognizes that Local 39000 Stewards are the official on-site representatives of the Union. The Union may designate a reasonable number of stewards for each employer court.

1. The Union shall furnish the Region Chairperson and the Director of Human Resources or designee for each court in the region a written list identifying by name and assigned work areas all regular and alternate stewards and the list shall be kept current by the Union. An alternate steward shall be recognized as a regular steward when such regular steward is absent.
2. On occasion and depending upon the circumstances, the Union may designate a representative, not a current steward, who shall act in the capacity of a steward for a grievance meeting with prior written notice to the Court Executive Officer (CEO) or designee.
3. Stewards shall not be granted permission for time off from their work assignments for the purpose of conducting general union business.
4. Any time spent performing the functions of a steward outside of the normal business day, or any time spent on a day when a steward is not otherwise scheduled to work, shall not be compensated by the Court.
5. Not more than one steward shall be on paid court time during a meeting related to any grievance meeting. The presence of a steward at the meeting does not preclude a union staff representative from also being present at the meeting.
6. Each calendar year up to three interpreter employee stewards per Court, selected by CFI, shall be eligible for two days (16) hours of unpaid leave of absence for the purpose of attending union-sponsored training sessions. Leave for any specific training shall depend upon the needs of the Court.

B. Handling Grievances

1. A steward may investigate any grievances in his or her employer court and assist in their presentation.
2. The steward shall request time off to handle a grievance from his/her supervisor. The steward shall be allowed reasonable time off during working hours (without loss of pay) to investigate and present grievances. A steward's request for permission to leave the job will be given prompt consideration and response. If time specified is not granted, an alternative time will be suggested.
3. When a steward desires to contact an employee at his/her work location, the steward shall first contact the immediate supervisor of that employee, advise him/her of the nature of the business, and obtain permission to meet with the employee. The immediate supervisor will make the employee available as soon as possible unless circumstances prohibit the employee's availability, in which case the supervisor will notify the steward when he/she can reasonably expect to contact the employee. In no event shall the employee meeting with the steward interfere with a courtroom assignment.
4. The Union may also request a postponement of a grievance meeting if necessary to ensure appropriate representation for an employee.
5. Following a meeting in a different court, management will make a reasonable effort to return a steward to his/her assignment.

C. Union Business Leave

The Union may request a leave of absence for a representative or officer of the Union to conduct union business. The request must be made in writing to the head of Human Resources of the employer Court, at least ten work days in advance of the expected start date of the leave of absence. The employer Court has discretion to grant or deny the leave based upon the needs of the Court. Any leave shall be in full-day increments, and the total amount of leave provided to the employee shall not exceed 100 work days per calendar year. During the approved leave, the employer Court shall continue to compensate the employee consistent with Government Code section 3558.8, and the Union shall reimburse the employer Court for all such compensation during the leave within 30 calendar days of certification from the employer Court concerning the payment of the compensation. The Union's failure to reimburse the employer Court within 30 calendar days shall be grounds for the employer Court to discontinue the leave. No further leave shall be scheduled until the Court is made whole for back payments.

ARTICLE 46 - UNION ACCESS

Union staff representative's access to non-public work locations requires the permission of the Director of Human Resources or designee, which will not be unreasonably denied. If access is denied, the Union staff representative shall be informed when access will be made available.

The Union agrees that its authorized representatives shall not interfere with the work operations of the court.

ARTICLE 47 - BULLETIN BOARDS

Management will furnish adequate bulletin board space at each courthouse where members of this unit are assigned.

The boards shall be used for the following subjects:

- A. CFI recreational, social and related Union news bulletins,
- B. Scheduled Union meetings,
- C. Information concerning Union elections or the results thereof,
- D. Reports of official business of Local 39000, including applicable newsletters, reports of committees or the Board of Directors.

Posted notices shall not be obscene or defamatory. All notices to be posted must be dated and signed by authorized representative of the Union, with a copy to be submitted, delivered or faxed to the Region Chairperson or designee prior to posting.

Court equipment, materials or bulletin board supplies shall not be used for the preparation, reproduction or distribution of bulletin board notices, nor shall such notices be prepared or distributed by Court employees during their regular time.

ARTICLE 48 - USE OF INDEPENDENT CONTRACTORS

The Court may subcontract unit work consistent with the rights and limitations set forth in Government Code Section 71802.

ARTICLE 49 - NO STRIKES, NO LOCKOUTS

During the term of this memorandum of understanding, the union, its officers, agents, representatives, stewards and members and all other employees shall not in any way, directly or indirectly, engage in any strike, sympathy strike, slowdown, work stoppage, picketing, or any other interference with or interruption of work at any of the Courts' operations.

Any employee engaging in activity prohibited by this article or engaging in an unlawful work stoppage shall be subject to disciplinary action, up to and including discharge.

No lockout of employees shall be instituted by the Courts during the term of this Agreement.

ARTICLE 50 - VOLUNTEERS/INTERNS

The Court may utilize interpreter volunteers (e.g., unpaid student interns) in proceedings which do not mandate the use of a certified or registered interpreter. The impact of such utilization will be a topic discussed by the Joint Labor/Management Committee instituted by this MOU. Any expansion or extension of the existing utilization of volunteers shall be subject to meet and confer between the parties.

ARTICLE 51 – VIDEO REMOTE INTERPRETING

Definition- For the purposes of this agreement, the definition of Video Remote Interpreting (VRI) is when the interpreter is remote from both the proceeding/event and the individual(s) for whom the interpreter is rendering interpreting services by means of an audiovisual delivery system. Except as addressed in the terms of this Agreement, the use of spoken language VRI shall not otherwise modify the contractual or statutory requirements of the Trial Court Interpreter Employment and Labor Relations Act or the terms of this Memorandum of Understanding.

Section I

1. Labor Management Committee – The Parties agree to establish a VRI Labor Management Committee that shall meet quarterly (or more often by mutual agreement) during the first 12 months and semi annually thereafter, to review and attempt to resolve operational issues, including but not limited to technology issues that may arise as the result of the implementation of spoken language VRI. The Committee may recommend an evaluation process for evaluating the VRI events and may make nonbinding recommendations to the Court's CEO regarding ways to make the VRI more effective. The Committee will develop a short survey for the five main languages spoken in the area for LEPs to include overall level of satisfaction from 1-5 and any comments/suggestions.

The Committee shall be composed of three management and three union representatives. The Committee shall sunset thirty months after implementation and; thereafter, VRI will be a topic discussed at each local labor management committee meeting as needed; reviewing and attempting to resolve operational

issues including but not limited to technology issues. Each side shall submit a written agenda to the other not less than ten working days before the meeting. If neither party submits any agenda items, there shall be no meeting.

2. Compensation – Interpreters who are assigned to perform spoken language VRI shall receive a 25% stipend for any day in which they perform spoken language VRI. The stipend for part-time interpreters shall be based upon the number of hours they were assigned to work on that day.
3. Reporting of VRI events – Each court will maintain a record of VRI events including the date, case name and number, language, case type, event type, duration, Interpreter assigned, whether the Interpreter assigned is an employee or independent contractor and any difficulties encountered, and whether the interpreter is certified, registered or provisionally qualified. The Region Chair will provide a report to the Union of VRI events upon request at reasonable intervals, not to exceed quarterly reports.
4. Minimum Technology Guidelines – CFI recognizes that Region 4 will, at its discretion, adopt minimum technology guidelines and the Courts will at a minimum, provide equipment that meets those guidelines. Once the Region adopts minimum technology guidelines, it will provide CFI with 90 days’ advance written notice and upon request from CFI, it will meet and confer regarding the impact of the decision to adopt minimum technology guidelines. On a Court-by-Court basis, the Region will provide to CFI a demonstration of a VRI event using the selected technology prior to implementation of its decision on technology.

Section II

1. VRI Guidelines
 - a. In addition to the guidelines set forth below in the text of this MOU, the Region adopts the attached JCC Guidelines for VRI for spoken language interpreting events as an addendum to this MOU. Where or if the JCC guidelines are determined to conflict with the guidelines below, the guidelines in Section II shall prevail.
 - b. When a home court interpreter is not available within the home court county an individual analysis should be made of the language and legal demands of the case before recommending VRI. The interpreter coordinator/manager should perform this analysis. This analysis should consider whether the use of VRI is appropriate based on the following guidelines:
 - i. Events that are expected to last less than 30 minutes in duration.
 - ii. Events that are not complex, and are generally non-evidentiary.
 - iii. Events involving uncontested infractions that require no testimony, like traffic cases.
 - iv. Events of a nature that cannot be delayed such as arraignments for in-custody defendants, bond review hearings, bail reductions, and temporary restraining orders.

v. Out-of-court communications involving interviews such as attorney-client conference, self-help centers, post-court services, review of probation conditions, pre-trial services and inquiries from the public.

c. Training: prior to implementing VRI, training will be provided to Judicial Officers, interpreters and court staff on the use of these guidelines, checklist, as well as the use of the court's VRI equipment, including but not limited to, an explanation and demonstration as to how the equipment works.

d. Modes of Interpretation: generally, remote interpreting shall be performed in the consecutive mode. Initial instructions will be reviewed with participants prior to each VRI event and should include a brief instruction on how to use the consecutive mode in the proceeding.

e. Sight Translation: sight translation may be performed over VRI for appropriate events provided the interpreter has a clear and readable copy of the document(s). The documents may be provided by WebEx document share, email or other digital scanning device.

f. Confidential Communications: the Court will ensure a reliable method is in place for attorney-client privileged communications and instruct all parties, including the interpreter, on a method for confidential communications.

g. Ethics: interpreters using VRI are bound by the same professional standards as on-site court interpreters (CRC Rule 2.890) and the Judicial Council of California Professional Standards and Ethics for California Court Interpreters, 5th edition, May 2013. When necessary, the interpreter shall inform the Judicial Officers of any impediments to performance.

h. Assignments: to the extent feasible, VRI interpretations will be prescheduled. All interpreters shall be trained on the use and protocol of VRI, prior to the assignment. Interpreters shall be assigned to VRI based upon the needs of the Court. The Court will solicit volunteers to participate in the VRI rotation in each language pair. In making assignments to VRI, the Courts will use reasonable efforts to rotate assignments among employee interpreters who volunteer for the rotation. However, if there are no volunteers, interpreters will be assigned on a rotation based upon need. Whether the VRI interpretation is in a single event or multiple events, interpreters will have a minimum of a five-minute break between VRI events lasting more than five minutes. In the event that an interpreter becomes fatigued during a VRI event, the interpreter shall notify the Judicial Officer and request a break. A break shall be granted at Judicial Officer discretion.

2. End Point Conditions: the Court will provide a separate room, in a courthouse, where the interpreter performing VRI will not be interrupted or overheard. Notice should be posted outside of the room to encourage a quiet environment. It shall be the responsibility of the interpreter, at their choice, to post or not post the Notice. The Notice shall be provided by the Court.
3. Unit Work and Contracting Out: use of VRI in spoken language shall not modify the contractual or statutory requirements related to bargaining unit work or contracting out unit work. Specifically, prior to utilizing an independent contractor to perform spoken language VRI, the Court will ensure that there are no employee interpreters available to perform the spoken language VRI. See Government Code Section 71802.
4. Notice of Implementation: the Region will provide 45 days' advance written notice to the Union upon implementation of VRI in a specific trial court, either as a receiver or a provider court. The notice will include the anticipated date of implementation, a brief description of the technology set up and anticipated dates of trainings. The Union will have the option of sending a representative to observe such interpreter training at the Court's expense (one-time per Court).
5. Preparation and Protocols: prior to beginning the interpretation in a VRI event, the remote interpreter will have an opportunity to confirm a clear view of speakers and to confirm a good audio and video connection has been established. Prior to or at the start of the proceeding, the interpreter will be notified of the nature of the proceeding, and the names of the participants, and will be provided any applicable documents that may be reasonably available. Prior to beginning the interpretation in a VRI event, the Judicial Officer will confirm that all participants can hear the interpreter; the Judicial Officer, the parties, counsel and court reporter. The court should make clear that if for any reason VRI is not facilitating effective communication, any participant can request that the matter be suspended or rescheduled with an onsite interpreter. The decision to continue and/or reschedule the matter shall rest with the Judicial Officer.
 - a. The following individuals must hear the remote interpreter's voice clearly and have clear access to one or more microphones to ensure that the interpreter can hear all their voices clearly.
 - i. Judicial Officer
 - ii. Defendant/Respondent
 - iii. Plaintiff/Petitioner
 - iv. Counsel for all parties
 - v. Prosecutor
 - vi. Any other LEP participant
 - b. All parties and the interpreter need to check microphone and camera clarity before beginning interpretation.
 - c. Courts and interpreters should have technical support easily available.
 - d. Clear and concise operating instructions should be posted with the VRI equipment.

Note: it is critical that prior to the start of a VRI event, all parties, Judicial Officers, court staff, and officers of the court, know how to allow for confidential conferencing when needed.

SECTION III

1) Checklist

The interpreter coordinator or courtroom clerk, Judicial Officer, and remote interpreter should go through a checklist to ensure everything is in place prior to starting the hearing. An example of a checklist is as follows:

- Set meeting using Outlook or similar software that can provide all participants with logon details for hearing.
- Position and adjust webcams, phones, and headsets to ensure clear picture and sound for all courtroom participants.
- Make sure equipment is operational.
- Initiate a test with the assigned remote interpreter.
- Have an action plan to assist if a confidential attorney-client communication is requested.
- Share the confidential communication action plan with the interpreter.
- Upon completion of the test of the equipment and readiness:
 - i. Stand by for the Judicial Officers to request interpretation or for the hearing to begin.
 - ii. Confirm visibility and audibility for the Judicial Officer of both the court user and the interpreter.
 - iii. Inform Judicial Officer immediately if any technical difficulties arise.
 - iv. Remain present throughout the hearing until the Judicial Officer releases the interpreter.
 - v. Assist as needed with requests for confidential communication.
- After the hearing:
 - i. End meeting, which will drop all participants automatically.
- Remote Interpreter Responsibilities:
 - Make sure equipment is turned on and operational before the scheduled test.
 - Be ready to answer when the Court representative initiates the equipment test.
 - Check that your location is suitable for VRI - such as adequate lighting, no distracting, background noises or objects, etc.
 - Adjust your equipment for clear picture and sound on all incoming and outgoing signals and devices.
 - Stand by for the Judicial Officer to request interpretation or call the hearing to order.
 - Assist as needed to affirm visibility and audibility of the court user(s) and interpreter.
 - Inform Judicial Officer immediately if there are any technical difficulties.
 - Remain in place until released by the Judicial Officer.

ADDENDUM TO MOU REGARDING JCC GUIDELINES FOR USING VIDEO

REMOTE INTERPRETING (VRI) IN COURT PROCEEDINGS

1. Need to Interrupt or Clarify, and Suspend and Reschedule.

When using VRI, the court should consult with the interpreter to determine how best to facilitate interruptions or clarifications that may be needed. The court should suspend and reschedule a matter if, for technology or other reasons, VRI is not facilitating effective communication, or if the interpreter finds the communications to be ineffective.
2. VRI and VRI Challenges.

The court shall be mindful of the particular challenges involved in remote interpreting, including increased fatigue and stress. Events involving remote interpreting should have shorter sessions and more frequent breaks.
3. Participants Who Must Have Access.

The remote interpreter 's voice must be heard clearly throughout the courtroom, and the interpreter must be able to hear all participants.
4. Visual/Auditory Issues, Confidentiality, and Modes of Interpreting.

VRI is generally preferred over other methods of remote interpreting that do not provide visual cues, such as telephonic interpreting. However, there will be situations where VRI is not possible or is not necessary. (See below for visual/auditory issues and requirements for confidentiality that must be considered and accounted for when implementing VRI.)
5. Documents and Other Information.

The court shall ensure the availability of technology to communicate written information to the interpreter including a copy of exhibits being introduced, as well as information after a proceeding, such as an order, so the interpreter can

provide sight translation to the Limited English Proficient (LEP) individual if needed.

6. Professional Standards and Ethics.

The same rules for using qualified interpreters apply to assignments using VRI. It is the intent of the language access plan to expand the availability of certified and registered interpreters through the use of VRI. All interpreters performing VRI should be familiar with - and are bound by - the same professional standards and ethics as onsite court interpreters.¹

7. Data Collection.

- a. Courts using VRI in the courtroom should monitor the effectiveness of their technology and equipment, and the satisfaction of participants.
- b. For purposes of supporting funding requests, courts should track the benefits and resource savings resulting from VRI on an ongoing basis (e.g., increased certified/registered interpreter availability to assist with additional events due to the use of VRI, and any cost savings).

**SUGGESTED LANGUAGE FOR THE JUDICIAL OFFICER WHEN
CONSIDERING OBJECTIONS RELATED TO REMOTE INTERPRETING**

We will have a court certified/registered _____ (insert language)
Interpreter help us with these proceedings.

The interpreter is at a remote location and will appear in court via video- (or audio-) conference. Please remember to speak slowly and clearly and not speak at the same time as each other.

¹ The requirements for provisionally qualifying an interpreter can be found in Government Code section 68561(c) and California Rules of Court, Rule 2.893.

Do parties and counsel have any objections to the interpreter participating by remote interpreting for today's proceedings?

[Judge rules on objections, if any, or assists in resolving concerns.]

[If proceeding with VRI (or audio)]:

- Parties and counsel had no objections to the use of remote interpreting, so the court will proceed with today's hearing.
- Parties and counsel objected to the use of remote interpreting, but the court has overruled those objections, so the court will proceed with today's hearing.

[If not proceeding with VRI (or audio)]:

- Parties and counsel objected to the use of remote interpreting. The court will not continue with today's hearing at this time and will reset this matter for a qualified _____ (insert language) language interpreter to be available in person.

Suggested Language to Include in the Minutes:

Interpreter _____(insert name) is present by video remote conferencing (or audio) and sworn to interpret _____ (insert language) language for _____ (insert name, if appropriate).

Sworn oath on file with the Superior Court of California, County of _____.

VISUAL/AUDITORY ISSUES, CONFIDENTIALITY, AND MODES OF INTERPRETING WHEN WORKING REMOTELY.

1. A clear view of the LEP court user is more important than a view of every speaker. Although cameras on all stakeholders may be beneficial, they may not be essential. A speakerphone is not recommended unless it accommodates the

other requirements of these guidelines, including the ability to be part of a solution to allow for simultaneous interpreting when needed.

2. To ensure the opportunity for confidential attorney-client conferencing, the attorney should have available an individual handset, headset, or in-the-ear communication device to speak with and listen to the interpreter.
3. Interpreting in the courtroom regularly involves both simultaneous and consecutive modes of interpreting. This can be achieved in a variety of ways using existing and emerging technologies. In longer matters, failure to have a technical solution that can accommodate simultaneous interpreting will result in delays of court time and may cause frustration with remote interpreting. Courts should use a technical solution that will allow for simultaneous interpreting. However, there may be proceedings (for example, very short matters) in which consecutive interpreting is adequate to ensure language access.
4. Recognizing that courts may implement very different technical solutions for VRI, it is critical that prior to the start of an interpreted event all parties, judicial officers, court staff, and officers of the court (including attorneys and interpreters) know how to allow for confidential conferencing when needed.
5. All participants, including the LEP party and the interpreters, need to check microphone and/or camera clarity before beginning interpretation.
6. Both VRI interpreters and courts should have technical support readily available.
7. Clear, concise operating instructions should be posted with the VRI equipment.
