Judicial Officer Arrested by Anaheim Police Department

Santa Ana, CA — Orange County Superior Court leadership was advised on Thursday evening by Anaheim Police Department that one of our judicial officers was arrested on charges of homicide.

Hon. Jeffrey Ferguson has been arrested and booked under Penal Code section 187, as a result of an incident that took place at a residence within the city of Anaheim.

“Our thoughts go to the family. We all pray for their comfort during this trying time,” said Orange County Superior Court Presiding Judge Maria Hernandez. “Although no case has been filed with our Court, when appropriate we will take all necessary steps to ensure full compliance with our legal and ethical obligations.”

As this is a pending matter, still under investigation, the Court is unable to provide any further information at this time.
