

SUPERVISED VISITATION PROVIDERS

2017

According to Family Code Section 3200, all providers of supervised visitation **must** operate their programs in compliance with the “Uniforms Standards of Practice for Providers of Supervised Visitation” which can be found in the California Rules of Court, Standards of Judicial Administration, [Standard 5.20](#).

Therefore, when selecting one of the following supervised visitation monitors it is very important that you, as parents, be familiar with the Standards of Practice and use good judgement when selecting any monitor.

The Court has required each provider on the referral list to register with TrustLine or cleared through a criminal background check. [TrustLine](#) requires all caregivers listed on its registry to pass a background screening that qualifies them to be a childcare provider. All persons listed on TrustLine have been cleared through a fingerprint check of records at the California Department of Justice and have no disqualifying criminal convictions or substantiated child abuse reports in California that would prevent them from being a child care provider. As a monitor may be spending some time alone with your child, it is wise to select a monitor that is registered. It is your responsibility as a parent, to verify that the monitor is actually registered by calling 1-800-822-8490.

Providers on this list are required to provide proof of the 24 hour of training in specified topics per [3200.5 \(d\) \(1\)](#).

SUPERVISED VISITATION PROVIDERS

- Each service provider is a separate entity with its own governing board and/or operating policies and procedures.
