

# SUPERVISED VISITATION PROVIDERS

## 2017

All providers of supervised visitation **must** operate their programs in compliance with Family Code section 3200 and 3200.5. The code can be reviewed:

- on the Court's website: [www.occourts.org](http://www.occourts.org) select Divisions, Family Court Services, Keeping Kids Safe link, What is Supervised Visitation, then the first link, or
- the external link on the Judicial Council website at:  
<http://www.leginfo.ca.gov/cgi-bin/displaycode?section=fam&group=03001-04000&file=3200-3204>

When selecting one of the following supervised visitation monitors it is very important that you, as parents:

- **Be familiar with the Standards of Practice**
- **Use good judgment when selecting any monitor**
- **Consider the value of having the monitor registered on TrustLine or cleared through a criminal background check**  
Trustline requires all caregivers listed on its registry to pass a background screening that qualifies them to be a child care provider. All persons listed on TrustLine have been cleared through a fingerprint check of records at the California Dept. of Justice and have no disqualifying criminal convictions or substantiated child abuse reports in California that would prevent them from being a child care provider. As a monitor may be spending some time alone with your child, it is wise to select a monitor that is registered. It is your responsibility as a parent, to verify that the monitor is actually registered by calling 1-800-822-8490. Some agencies have the authority to do their own criminal background screening with the Department of Justice without having to go through TrustLine.
- **Consider using a monitor that carries professional liability insurance that specifically covers supervised visitation; ask to see a copy of their policy.**
- **Understand that a separate intake interview must be conducted with each parent and the children if age appropriate, prior to the first visit. Because of this, the first visit may not occur immediately.**

## Non-Profit Provider/Proveedor Sin Fines de Lucro

**Note:**

- The monitoring agency has signed **an MOU with the court** indicating they are in compliance with Family Code section 3200 and 3200.5. Any other services the programs provide, other than supervised visitation/exchanges is not covered in the MOU.
- These programs are partially funded through the Access to Visitation Grant Program and subcontract with the court to provide services based upon a sliding scale through the Keeping Kids Safe program.
- The service provider is a separate entity with its own governing board and/or operating policies and procedures. **The court is not responsible for the quality of services provided.**

**Nota:**

- La agencia de monitoreo ha firmado un MOU con el tribunal indicando que están en conformidad con los artículos 3200 y 3200.5 del Código de la Familia. Cualquier otro servicio que los programas provean, aparte de visitación supervisada y/o intercambio supervisado, no están cubiertos en el MOU.
- Estos programas son parcialmente financiados a través del programa de acceso a la visitación y subcontratan con la corte para proveer servicios basados en una escala móvil a través del programa de Mantenimiento de Niños.
- El proveedor de servicios es una entidad separada con su propio consejo de administración y / o políticas y procedimientos operativos. **El tribunal no es responsable de la calidad de los servicios prestados.**
