Orange County Superior Court's Statement Regarding Civil Unrest

Santa Ana, CA – The Judicial Officers of the Orange County Superior Court, as a result of recent racial and civil unrest in our nation, overwhelmingly approved this week the statement below, reaffirming the court's obligation to treat all persons equally under the law:

We, the Judges and Commissioners of the Orange County Superior Court, remain committed to providing fair and equal justice under the law for every person who enters our courthouse doors regardless of race, ethnicity, gender, religion, socioeconomic status, sexual orientation or identity. We will vigilantly work to ensure that equality and inclusion is a reality for all, every day in our court.
