II. GENERAL PROCEDURES

- A. Compliance with Rules:** All counsel and self-represented litigants (Counsel or Parties) must read and be familiar with Division 3 of the Orange County Superior Court Local Rules (Local Rules), as well as all applicable California Rules of Court (CRC).
- B. Cooperation, Civility and Courtesy:** The court expects all Counsel to cooperate with each other to the fullest extent and to act at all times with civility and courtesy. Counsel should review the State Bar of California Attorney Guidelines of Civility and Professionalism and the Orange County Bar Association Civility Guidelines.
- C. Court Reporters:** Department N16 does not provide the services of an official court reporter. If the Parties desire the services of a court reporter, the Parties should follow the procedures set forth in the Privately Retained Court Reporter Policy on the court's website at www.occourts.org.

- E. Case Management Conferences (CMC):** All Parties must be fully familiar with, and comply with as applicable, CRC 3.720 through 3.734, including, but not limited to, the requirement that all Parties file a Case Management Statement in compliance with CRC 3.725.
- F. Mandatory Settlement Conference (MSC):** MSCs are conducted on Fridays at 9:00 a.m. The court does not automatically set MSCs. If you believe an MSC will be productive, then simply contact the court Clerk to arrange a date for an MSC. If you intend to request an MSC, then you should do so at least 90-days before the scheduled trial date. To ensure a meaningful

MSC, the court requires compliance with Local Rule 316. MSC statements must be e-filed. If properly identified in the e-filing as an MSC statement, the statement will be kept confidential.

- G. Trial Continuances:** A trial continuance will be granted only on motion and on proper showing of good cause. *See* CRC 3.1332. Due to the COVID-19 pandemic, and in accordance with Second Administrative Order No. 20/06, the court will consider modifications to trial dates set in accordance with Second Administrative Order No. 20/06 by stipulation and order. *See* Second Administrative Order No. 20/06 ¶ 8(b) (04/24/20).

- D. Content of Ex Parte Applications:** Ex parte applications must comply with CRC 3.1200 through 3.1207. Applications must be in writing and include all of the following:

- D. Courtesy Copies of Motion Papers:** Please do not submit courtesy copies to the courtroom.
- E. Declarations and Exhibits:** Please do not submit courtesy copies to the courtroom.

V. TRIAL PROCEDURES

- A. Trial Dates:** Trials are called Fridays at 9:00 a.m. and usual trial days are Monday, Thursday, and Friday at 9:00 a.m. and Tuesdays at 10:00 a.m.
- B. Conduct:** Counsel and Parties shall review and comply with the attached "Conduct in Trials."
- C. Trial Notebook for the Court:** In addition to the exhibit binders required for trial exhibits (*see* ¶ V.M.2. *infra*), Counsel shall jointly prepare a trial notebook for the court. The trial notebook is a courtesy copy for the court's use; it does not absolve the Parties of the need to e-file all trial-related documents. The court's trial notebook shall be delivered to Department N16 no later than 12:00 p.m. of the court day before trial begins. The court's trial notebook shall contain the following double-sided documents, each separately tabbed:

1. Joint Statement of the Case;
2. Executed Statement of Compliance;
3. Joint List of Stipulated Facts;
4. Joint List of Controverted Issues;
5. Joint Exhibit List;
6. Joint Witness List;
7. Proposed Voir Dire Questions (if any) for court voir dire;
8. Procedural Stipulations;
9. Proposed Verdict Form; and
10. In Limine Motions and Oppositions (*see* ¶ V.E.3. *infra*).

D. Issue Conference and Statement of Compliance

1. **Local Rule 317 Compliance:** The Parties must conduct an Issue Conference in compliance with Local Rule 317 and prepare and file all required items pursuant to that rule. Note that Rule 317 requires that the Issue Conference take place at least 14 days before the trial date. *See* Statement of Compliance (attached).
2. **Statement of Compliance:** A Statement of Compliance and its required attachments shall be e-filed and a courtesy copy provided to the court as part of the court's trial notebook. *See* ¶ V.C. *supra*.

E. In Limine Motions

1. **Exchange of In Limine Motions:** In limine motions must be exchanged and discussed no later than the Issue Conference. *See* Local Rule 317. Counsel must meet and confer in a good faith effort to resolve as many in limine motions as possible before trial.
2. **Improper In Limine Motions:** Counsel should avoid broad, general in limine motions, such as motions to exclude "all hearsay evidence," "all cumulative evidence" or "evidence not disclosed in discovery." Such motions are disfavored and unlikely to be granted. *See Kelly v. New West Federal Savings* (1996) 49 Cal.App.4th 659.
3. **Numbering In Limine Motions:** Each in limine motion shall be assigned a number, which must be set forth on the face page of the motion, along with the identity of the party bringing the motion and a short description of the motion (e.g., "Plaintiff's Motion In Limine No. 1 to Exclude Reference to Plaintiff's 2013 Theft Conviction"). Courtesy copies of the in limine motions (including oppositions) shall be included in the court's trial notebook (*see* ¶ V.C. *supra*). If there are several in limine motions, they may be placed in a binder separate from the trial notebook and delivered to the Courtroom Clerk with the trial notebook.

F. Jury Selection

1. The court prefers to use the "six pack" method (18 prospective jurors) to select 14 jurors, including two alternates. The court will discuss jury selection with Counsel before jury selection begins to determine if there are any questions or issues regarding jury selection.
2. The Clerk will call 18 names at random to fill 12 chairs in the jury box and six chairs in front of the jury box.

3. After the court concludes its voir dire, Counsel will voir dire all 18 prospective jurors for a reasonable period of time, as determined by the court. "For cause" challenges are then made in chambers or otherwise outside the jury's hearing.
4. After "for cause" challenges have been addressed, Counsel exercise peremptory challenges only on prospective jurors 1 through 12 in the jury box. Jurors from seats 13 through 18 will, in that order, fill empty seats in the jury box. (For example, if seat 5 becomes empty, prospective juror 13 fills seat 5; if seat 10 next becomes empty, prospective juror 14 fills seat 10.)
5. Peremptory challenges continue until no prospective jurors remain in seats 13 through 18 and only 11 prospective jurors remain in the jury box.
6. The Clerk then calls 7 more names to fill the empty seats. Further court and Counsel voir dire will be conducted only as to the 7 new prospective jurors. After any "for cause" challenges have been addressed for the 7 new prospective jurors, Counsel resume peremptory challenges until all peremptory challenges have been exhausted or until both sides pass in succession.
7. Once 12 jurors are seated and sworn in the jury box, the Clerk will then call 6 names to fill the six empty seats in front of the jury box. Court and counsel will then repeat the above described process regarding voir dire, challenges for cause, and preemptory challenges until two alternate jurors are selected.
8. Counsel's voir dire must conform with the Standards of Judicial Administration. Counsel may not ask questions that attempt to precondition the jurors or are repetitive of the court's questioning. *See* Standards of Judicial Administration, Standard 3.25(f).

F. Jury Instructions

1. **Filing and Delivery of Proposed Jury Instructions:** By 12:00 p.m. of the court day before trial begins, Counsel must (i) e-file and (ii) deliver separately to the Courtroom Clerk: (a) a full copy of the proposed jury instructions on which the Parties agree, as they propose them to be read to the jury, with no blanks or brackets; (b) a copy of the jury instructions (whether CACI or special instructions) Plaintiff proposes on which the Parties do not agree; and (c) a copy of the jury instructions (whether CACI or special instructions) Defendant proposes on which the Parties do not agree.
2. **Format of Proposed Jury Instructions:** The format of the jury instructions must comply with CRC 2.1055. Each proposed jury instruction shall be on a separate page and shall not include a disposition table. Each CACI instruction (whether agreed upon or disputed) must include the CACI number and title at the top. Each special or modified CACI instruction shall state at the top of the page "Plaintiff's [or Defendant's] Special Instruction No. ____" or "Plaintiff's [or Defendant's] Modified CACI Instruction No. ____." Special or Modified Instructions must include, at the bottom of the proposed instruction, citation to authority supporting the propriety of the instruction and a short explanation of why the special or modified instruction is necessary and appropriate. Substantively modified CACI instructions must specify exactly what has been modified. All proposed jury instructions shall be submitted to the Courtroom Clerk in Word format.

- 3. Special or Modified Instructions:** Special or modified instructions must be submitted to the Courtroom Clerk in Word format.
- 4. Jury Instructions re Preliminary Matters:** The court will pre-instruct the jury on preliminary matters immediately before opening statements. The court will generally read CACI 100, 101, 102, 106, 107, 113, 114, 200, 202 and, if applicable, 103 and 104. If Counsel believe any of these instructions is inappropriate or wishes the court to give additional preliminary instructions, Counsel must advise the court, and e-file and provide the court a copy of the proposed preliminary instruction(s), before jury selection concludes.
- G. Verdict Forms:** Counsel must meet and confer about verdict forms at the Issue Conference. Verdict forms should not list Doe defendants or contain the identity or address of any attorney.
- 1. Stipulated Verdict Form:** If the Parties agree on the verdict form(s), they shall e-file the agreed-upon verdict form(s), with a copy included in the court's trial notebook, no later than 12:00 p.m. of the court day before trial begins. All stipulated verdict forms shall be submitted to the Courtroom Clerk in Word format.
- 2. Disputed Verdict Form:** If the Parties cannot agree on a verdict form(s), each side shall e-file its proposed verdict form(s) (titled "Plaintiff's [Defendant's] Proposed Verdict Form"), and both versions shall be included in the court's trial notebook. Both disputed verdict forms shall be submitted to the Courtroom Clerk in Word format.
- H. Factual Stipulations:** All factual stipulations must be discussed and agreed upon by all Parties before being called to the attention of the jury. Parties must not offer to stipulate to any matter within the hearing of the jury. All factual stipulations shall be in writing and shall be e-filed, with a copy included in the court's trial notebook.
- I. Procedural Stipulations:** Counsel shall review the attached Procedural Stipulations form and e-file a single, signed copy of the form no later than 12:00 p.m. of the court day before trial begins, indicating those stipulations to which all Parties agree. A copy also shall be included in the court's trial notebook. If the Parties have agreed upon other procedural stipulations, they must be in writing and e-filed, with a copy also included in the court's trial notebook.
- J. Depositions:** On the Wednesday before trial, Counsel shall lodge with the Courtroom Clerk all deposition transcripts to be used in trial and advise the court in writing – in an e-filed Notice of Lodging of Deposition Transcripts, with a courtesy copy provided to the court – if any of the deposition transcripts are unsigned.
- K. Deposition Designations:** A party that expects to present one or more witnesses at trial by deposition shall, no later than the Issue Conference, provide opposing counsel with its written deposition designations, using the Page and Line Designation form attached hereto. The other party shall, on the same document, provide its counter-designations and also any objections to the admissibility of the other sides designated testimony. Once both sides have completed the form with their designations, counter-designations, and objections to the other side's designations, the form is to be filed no later than 12:00 p.m. the Wednesday before trial, with a courtesy copy provided to the court.

L. Witnesses

- 1. Joint Witness List:** Counsel shall e-file a Joint Witness List and include a copy in the court's trial notebook. Counsel may, but are not required to, use the attached Joint List of Anticipated Witness Trial Testimony form. Whatever form Counsel selects, the Joint Witness List must include a realistic schedule of when each witness will be called, the estimated total time for direct and cross-examination of each witness, and the total number of hours the examination of all witnesses is expected to consume. Pursuant to Local Rule 317, the Joint Witness List need not include impeachment or rebuttal witnesses.
- 2. Witness Availability and Scheduling:** It is the responsibility of all Parties to arrange the appearance of all witnesses to avoid delay, to confer and cooperate with one another during trial regarding when witnesses will be needed and are expected to testify, and to advise the court at the earliest opportunity of any anticipated problems with the presence of witnesses. The court expects the Parties to have their witnesses "stacked" so that each witness is available immediately following the conclusion of the prior witness' testimony.
- 3. Witness Conduct:** Counsel shall advise their witnesses of the appropriate manner of testifying and the impact of the court's rulings, if any, on the witnesses' testimony.

M. Exhibits

1. Joint Exhibit List and Exhibit Numbering

- a.** At or before the Issue Conference, the Parties must cooperate in preparing a Joint Exhibit List for trial. The parties may, but are not required to, use the attached Joint Exhibit List form. The Joint Exhibit List shall include the exhibit number and a brief description of each exhibit, including the date of the document or a notation that the document is undated (e.g., "Exhibit 100, Letter from J. Jones to C. Clark dated 1/12/2000"). Pursuant to Local Rule 317, the parties need not exchange or include on the Joint Exhibit List those exhibits contemplated to be used for impeachment or rebuttal.
- b.** The Joint Exhibit List shall be e-filed, with a copy included in the court's trial notebook, no later than 12:00 p.m. of the court day before trial begins.
- c.** In a two-party case, Plaintiff shall number its exhibits starting with 1. Defendant shall number its exhibits starting with 200. If, in any given case, these numbers are not sufficient to accommodate all exhibits, the Parties shall cooperate in agreeing on an appropriate number range for each party. If there are more than two parties, the Parties shall cooperate in agreeing on a number range for each party, so that no two parties use the same exhibit numbers. Duplicate exhibits are to be avoided. Only exhibit numbers (not letters) are to be used. Each page of each exhibit must be separately numbered.

2. Exhibit Binders and Exhibit Tags for Trial

- a.** The Parties shall prepare three sets of exhibits – one for the witness stand, one for the Courtroom Clerk, and one for the Judge – and place them in 3-ring binders with tabbed number dividers. Each tab shall bear the corresponding exhibit number and

shall be placed in front of the corresponding exhibit. A copy of the Joint Exhibit List shall be placed in the front of each exhibit binder. All exhibit binders shall be provided to the Courtroom Clerk on the first day of trial.

- b. If a Party proposes to use an exhibit that is not a standard-sized document, it shall discuss exhibit protocol with the Courtroom Clerk before trial commences and before the Exhibit Binders are due to the court.
- c. All exhibits in the exhibit binder on the witness stand shall have exhibit tags filled out and attached to the exhibit in the upper right hand corner of the first page of the exhibit. *See attached Exhibit Tags.*

3. Video Exhibits, Videotaped Depositions, and Trial Presentation Equipment

- a. Please advise the court at the earliest opportunity if any Counsel plan to use a video exhibit, videotaped deposition, overhead projector, or any other kind of equipment. The court's permission is required before videos, tape recordings, overhead projectors, or other equipment may be used in trial.
- b. It is each Counsel's responsibility to supply the equipment necessary to present its evidence and to ensure it is set up and working properly before trial. Counsel desiring to use the court's evidence presentation equipment should contact the Courtroom Clerk in advance of trial to determine what equipment is available and whether it will meet Counsel's needs, and to familiarize themselves with the equipment. If court equipment is used, it remains Counsel's responsibility to ensure it is set up and working properly before trial. Trial will not be delayed while Counsel attempt to remedy technical difficulties.
- c. Videotaped depositions must be transcribed and marked as an exhibit. The videotape must be edited before being shown to the jury to remove objections and argument by counsel.

- 4. **Exhibit Enlargements or Transparencies:** If Counsel plan to use enlargements of exhibits ("blow-ups") or transparencies of exhibits (for use with an overhead projector), the blow-ups and transparencies should not be marked as original exhibits. An 8-1/2x11 paper version of the exhibit should be marked and treated as the official exhibit. Blow-ups and transparencies are informally marked with the same exhibit number and referred to by the same exhibit number during trial.
- 5. **Moving Exhibits into Evidence:** Exhibits should be moved into evidence as soon as admissibility has been established.
- 6. **Exhibits in Opening Statements:** Exhibits may not be shown to the jury in opening statements unless Counsel have (i) stipulated in advance that the exhibit is admissible; and (ii) advised the court of their stipulation on the record before opening statements.
- 7. **Demonstratives:** Counsel wishing to use a demonstrative aid at trial shall show the demonstrative aid to opposing counsel at least 24 hours before it expects the demonstrative aid to be used, to give opposing counsel an opportunity to review it and, if necessary, raise any issues regarding it with the court.

N. Judgments: After the verdict is read and the jury discharged, Counsel for the prevailing party shall prepare a Proposed Judgment, which must include the exact wording of the verdict. Unless the court orders otherwise, the Proposed Judgment must be e-filed, served on opposing counsel, and lodged with the court in Department N16 within seven (7) calendar days of the reading of the verdict. The court will hold the Proposed Judgment for three (3) court days to allow for objections to be filed.

CONDUCT IN TRIALS

Judge Donald F. Gaffney Department N16

- 1. Counsel shall advise their witnesses** of proper behavior in the courtroom, the proper manner of testifying, and all rulings that apply to or affect their testimony. Counsel also shall advise witnesses about proper behavior around jurors and potential jurors and warn witnesses not to engage in any conversations or other forms of interaction (verbal or non-verbal) with jurors and potential jurors. Counsel, of course, should not do so either.
- 2. Counsel may not make speaking objections.** Simply state the objection and the legal grounds. If Counsel wish to argue an objection and the court wishes to entertain such argument, it will be done either at sidebar or on the record outside the jury's presence, likely during a recess.
- 3. Counsel must not address the jury or jurors directly,** except for voir dire, opening statements and closing arguments. If Counsel have concerns about the jurors' comfort or conduct, inform the court of the concerns outside the jury's presence.
- 4. Counsel shall not make editorial comments during examinations.** Except for appropriate transitional comments, Counsel should not make editorial comments before posing questions. (For example, "*We have heard about the defendant's negligent driving, did you see him change lanes without signaling?*")
- 5. Counsel must speak from behind counsel table or the lectern** unless the court gives permission to approach a witness or a chart or diagram near a witness.
- 6. Sidebars will be kept to a minimum.** Anticipated objections should be dealt with *in limine* or otherwise outside the jury's presence.
- 7. Challenges for cause, all motions, and arguments concerning evidentiary objections will be made and discussed at sidebar or otherwise outside the jury's presence.** Sidebars generally will not be on the record. Counsel may make their records later, during a recess, to ensure jurors are not kept waiting by lengthy sidebars.
- 8. The court will conduct a Pretrial Conference on the scheduled trial date.** Counsel should be prepared to discuss at least the following issues: jury selection, exhibits, anticipated evidentiary or jury instruction issues, trial and witness scheduling, witness issues (e.g., child witnesses, availability, interpreter needs, ADA needs), summary of expected facts and defenses, and pretrial motions.
