Case No(s).: _____ People v. _____

In addition to the terms and conditions contained in the plea agreement form, or as provided at the time of sentencing, the advisement provided below applies to the above referenced case(s). I, the defendant in the above-entitled case(s), acknowledge, under penalty of perjury, that I have been advised as follows:

It is extremely dangerous and deadly to human life to illicitly manufacture, distribute, sell, furnish, administer, or give away any drugs in any form, including real or counterfeit drugs or pills. You can kill someone by engaging in such conduct. All drugs and counterfeit pills are dangerous to human life. These substances alone, or mixed, kill human beings in very small doses. If you illicitly manufacture, distribute, sell, furnish, administer, or give away any real or counterfeit drugs or pills, and that conduct results in the death of a human being, you could be charged with homicide, up to, and including the crime of murder, within the meaning of Section 187 of the Penal Code.
