PUBLIC NOTICE

Implementation of Electronic Payment of Jury Fees in Civil

Effective August 30, 2024

Orange County Superior Court will implement a new process for Civil cases, where jury fees can be paid using the court's mobile application or on-line via the Court's website. This process will be piloted in the following Civil courtrooms:

Department	Judicial Officer
N15	Judge Vu
N16	Judge Gaffney
N17	Judge Griffin
N18	Judge Steiner
W02	Judge Scott
W08	Judge Recio
W15	Judge Lee

The current process requires attorneys and litigants appearing for jury trials to proceed to the Civil clerk's office to pay jury fees. This program will automate and streamline the process to allow for enhanced public access. Additionally, it will improve ease of use when paying court fees and will not require waiting in line in the clerk's office. Through this process, payment methods are being modernized and will be available 24 hours a day.

The court will assess the pilot in the near future to consider expansion to additional Civil courtrooms.
