

# RESOURCE LIST FOR SUPERVISED VISITATION PROVIDERS

## JANUARY 2025

According to Family Code Section 3200, all providers of supervised visitation **must** operate their programs in compliance with the “Uniforms Standards of Practice for Providers of Supervised Visitation” which can be found in the California Rules of Court, Standards of Judicial Administration, [Standard 5.20](#).

**Therefore, when selecting one of the following supervised visitation monitors it is very important that you, as parents, be familiar with the Standards of Practice and use good judgement when selecting any monitor.**

**Per Standard 5.20, the Court requires each provider on the referral list to register with TrustLine.** [TrustLine](#) requires all caregivers listed on its registry to pass a background screening that qualifies them to be a childcare provider. All persons listed on TrustLine have been cleared through a fingerprint check of records at the California Department of Justice and have no disqualifying criminal convictions or substantiated child abuse reports in California that would prevent them from being a childcare provider. For further verification you may call TrustLine at 1-800-822-8490.

**Providers on this list are required to provide proof of the 24 hour of training in specified topics per Family Code [3200.5 \(e\) \(10\) \(i - xi\); \(B\)](#). Additionally, providers on this list are required to complete an online course required for mandated child abuse reporters that is provided by the State Department of Social Services.**

### SUPERVISED VISITATION PROVIDERS

#### PLEASE NOTE:

- Individuals on this list have **signed an initial FL-324(P) form** declaring they will provide supervised visitation according to the “*Uniform Standards of Practice for Providers of Supervised Visitation*.” Any other services the programs provide, other than supervised visitation or supervised exchange is not covered in this declaration.

- Each service provider is a separate entity with its own governing board and/or operating policies and procedures.
- **Orange County Superior court does not monitor, evaluate, or endorse the quality of these providers. See the disclaimer below.**
