

Self-Help Services

Self-Help Services provides free assistance to individuals without an attorney. Our staff can provide legal procedural information, legal forms, answer most questions regarding processes and procedures, and review most completed forms. Assistance is provided for family law, child support matters involving the Department of Child Support Services, probate, civil, residential landlord/tenant and criminal/traffic matters. Self-Help staff does not provide legal advice or attorney representation. Many of our services are provided in-person or remotely, depending on your legal matter and needs.
