The Superior Court in Orange County Announces Online Access to Imaged Civil Case Documents

The Superior Court of California for the County of Orange is pleased to announce that most current limited (actions filed for \$25,000 or less) and unlimited (actions filed for more than \$25,000) civil case documents may now be downloaded for a fee directly from the Court's Web site. Documents filed since January 1, 2008 may be searched and downloaded at www.occourts.org. From the homepage, select "online case access" and follow the directions.

The fee for viewing and downloading imaged documents is \$7.50 for each case document that is downloaded (up to 10 pages) and \$0.07 for each additional page. Documents are in Portable Document Format (PDF) and can be searched in the Civil Case Access section by case number or party's name. Probate, Family Law, Small Claims, Civil Harassment, Workplace Violence Prevention, and confidential or sealed documents will not be available.

"Providing online access to court documents is an added convenience for the public, saving time and the cost of commuting to a courthouse," said Chief Executive Officer Alan Carlson.
