## Orange County Juvenile Court Administrative Order A-400-1-2014

### Re: Criminal Identification and Information (CII) Report Font Size Reduction in Social Services Agency (SSA) Court Reports

California Rules of Court, rule 2.104 calls for a font size of not smaller than 12 points for papers filed in trial court. In order to shorten the criminal history section contained within Social Services Agency (SSA) court reports by 27% and save paper, SSA requested leave to reduce to 8.5 the font size used when reproducing information copied from the State Department of Justice's Criminal Identification and Information (CII) reports.

**FOR GOOD CAUSE SHOWN THEREFOR**, SSA is hereby authorized to reduce the font size used when reproducing CII information in SSA Court Reports from a 12-point font to an 8.5-point font.

This Juvenile Court Administrative Order is to remain in effect until otherwise ordered by the Presiding Judge of the Juvenile Court.

Dated this 18th day of November 2014.
